

Fallston Group™
THE REPUTATION AGENCY

The first order of leadership is to provide a safe place to live, work and raise a family.

Schools, nightclubs, places of worship, hotels, outdoor recreational events, retail settings, corporate offices...all have made international headlines in recent years as horrific scenes of active shooter tragedies.

Have you done all you can to protect your people, secure your assets and strengthen your brand? Our interactive, three-hour Active Shooter Training module is led by law enforcement and military experts who are deeply experienced and trained to international best practices.

General training framework includes:

- *Introduction, lecture and video series*
- *Tactical planning and survival skill training*
- *Drill briefing and execution*
- *Hotwash and organizational assessment*
- *Recommendations and next steps*

Depending on the number of trainees, there will be a minimum of two highly experienced trainers who are fully credentialed and experienced in tactical operations within a law enforcement and/or military setting.

Call or email today to start building the organizational muscle memory you need to give employees the tools and confidence to survive a very high stress, sudden and volatile event.

WHY FALLSTON GROUP?

Turn to professionals with a unique combination of tactical, management, public safety and leadership expertise. Unlike many specialty firms that strictly focus on technology or personnel, Fallston Group develops broad, security-based strategies to diminish risk, preserve business valuation and foster longevity while protecting your most important asset—your people.

Trust the safety of your people to our highly qualified Active Shooter Training team, whose training experience includes:

- Accredited LEO Training Academy & SWAT Schools
- U.S. Army Military Police Instructor School
- Maryland State Police High-Risk Entry Training
- United States Secret Service Firearms Instructor Training
- FBI Quantico Close Quarters Battle Training
- L.A. Police Department SWAT Training
- U.S. Air Force Field Craft Combat Training
- Armor's Course, Sig Sauer Academy

Fallston Group's ability to embrace the big picture while factoring each important nuance should give any client confidence in their approach and ability to deliver optimized strategies. The team is competent, trustworthy and responsive—they relentlessly drive the mission. They are true professionals who can operate at the highest levels.
